

I am contacting you on behalf of the International Relations Office Of Al-Aqsa University. We are interested to have future cooperation with your University, by which we can facilitate knowledge dissemination, including the exchange of professional expertise and personal experience through a partnership under the Erasmus + projects .

It will be our pleasure to be included in your next ICM project. Additionally, we are interested in signing a Memorandum Of Understanding with your University (MOU).

Please allow me to give you a brief intro to who we are:

Al-Aqsa University (AQU) is a public Palestinian academic institution in Gaza Strip, Palestine,. It is the largest university in Palestine, more than 26,000 students officially registered and distributed to the 8 faculties of the University which include 45 certified program and 550 faculty members .AQU aims to provide a platform for conveying knowledge, values and traditions, and making progress toward building a knowledge - based economy through investing in the development of the human intellect (mind).

The fields we are looking for cooperation: Education, Physical sciences, Biomedical Sciences, Mathematics and Statistics, Arts and Human Sciences, Business and Administration, Social and Behavioral sc., ICTs, Art, Sports, Journalism and Information, Biological and related sciences.

To get more information about AQU, please find an attached brochure of Al-Aqsa University.

We would also like you to check out our website: <https://www.alaqsa.edu.ps/en/home/>

Yours Sincerely,

Dr. Nabil El Aila
