

I am writing on behalf of the European University of Tirana (UET) to state the commitment of our institution to cooperate in the framework of **Erasmus+ KA2Capacity Building in Higher Education** projects.

UET is a private higher education institution in Albania, established in full compliance with the Bologna Charter. UET draws on the vast range of expertise in its academic areas, with full capacity to engage in innovative and in-depth policy-oriented research projects as well as development projects. The academic life at UET is organized within the following Faculties:

1. ***Faculty of Economics, Business and Development Studies***
2. ***Faculty of Engineering, Informatics, and Architecture***
3. ***Faculty of Humanities, Education and Liberal Arts***
4. ***Faculty of Law, Political Sciences and International Relations***
5. ***Faculty of Health Sciences***

Following your email, UET express its interest to collaborate in **Erasmus+ Key Action 2 (CBHE)** projects under the open call [Erasmus+ – Key Action 2 – European Universities](#), considering its extended experience in managing these projects

- From the last call, UET is the **Lead Partner** of the Project ‘Enhancing and Validating service related competencies in Versatile learning environments in Western Balkan Universities’ (**E-VIVA**), with an overall budget of 1 million Euro and a Consortium of 16 Partners.
- UET is participating as **Partner** in several *Erasmus+ Key Action 2 (CBHE)* Projects like:
  - **SmartAL** (<https://www.smartal.uet.edu.al/>) – Lead Partner: Centre International de Hautes Etudes Agronomiques Méditerranéennes, France
  - **GRADUA** (<http://www.graduproject.com/>) – Lead Partner: Agriculture University of Tirana, Albania
  - **ITG4AU** (<http://itg4au.uib.eu/>) – Lead Partner: University of Balearic Islands, Mallorca, Spain
  - **FINAC** (<http://www.finac.org.rs/site/about>) - Lead Partner: University of Belgrade, Serbia
  - **REBUS** (<http://www.rebusproject.net/>) - Lead Partner: University of Sarajevo, BH
  - **QAINAL** (<http://www.qainal.eu/>) – Lead Partner: University of Salzburg, Austria
  - **ENCHASE** (<http://enchase.uet.edu.al/index.php>) – Lead Partner: University of Koblenz-Landau, Germany
  - **CONSUS** (<http://consus.allafine.com/en/home>) - Lead Partner: University of Graz, Austria

For more information on our KA2 CBHE projects, kindly visit [the Project Development Office](#) website.

Given our expertise, experience and commitment, we think that we can become partners in one (or more) of the project ideas you forwarded in your email . Please let us know what you think
