قائمة وصل حديثاً لعناوين كتب كلية الطيران

سنة النشر	الناشر	المؤلف	العنوان	الرقم
2025	Aviation supplies & academics	Federal aviation regulations for aviation maintenance tech	Federal Aviation Regulations ICAO Annex 1: Personnel Licensing for Maintenance Technicians	1.
2024	Routledge	Simon Daniels	Shipboard management	2.
2024	Routledge	Eva maleviti	Fundamentals of sustainable aviation	3.
2024	Routledge	Ravi laksmanan	Fundamentals of airport planning : theory and practice	4.
2024	Brilliance publications	Patrick Anderson	Fundamentals of aeroengines	5.
2024	Brilliance publications	Grace aguilar	Avionics navigation	6.
2024	Brilliance publications	Joan aiken	Future air navigation systems	7.
2024	Routledge	Mike tooley David wyatt	Aircraft communications and navigation system	8.
2024	Routledge	Brian pearce Bijan vasigh	Air transport economics : from theory to applications	9.
2024	Brilliance publications	Harold acton	Aero engineering thermodynamics	10.
2024	Brilliance publications	Robert aickman	Airline operations and scheduling	11.
2024	Brilliance publications	Donald adamson	Aircraft propulsion	12.
2024	Brilliance publications	John aglionby	Aircraft hardware and materials	13.
2024	Brilliance publications	Harold acton	Aircraft electronics	14.
2024	Brilliance publications	Ruth adam	Satellite navigation and control	15.
2024	Brilliance publications	John aglionby	Aircraft design	16.
2024	Brilliance publications	Robert aikman	Airline route planning	17.
2023	Brilliance publications	Travis Maddox	Global aerospace monitoring and disaster management	18.

التاريخ:

2023	springer	by R.P.G. Collinson	Introduction to Avionics Systems 4th ed. 2023 Edition	19.
2023	Routledge	Peter forsyth Cathal guiomard Hans-martin Niemeier	Airport economics	20.
2023	Routledge	Gerald n cook Bruce g billig	Airline operations and management : a management textbook	21.
2023	Routledge	Marina efthymiou	Air traffic management : principles , performance , markets	22.
2023	springer	y.h venus lun [and others]	Shipping and logistics management	23.
2023	Routledge	Mike brown	Strategic airport planning	24.
2023	CRC press Taylor &Francis group	by Cary Spitzer & Uma Ferrell &, Thomas Ferrell	Digital Avionics Handbook 3rd Edition	25.
2023	Mc graw hill	Anthony Lawrenson	Commercial Aviation Safety, seventh. Edition	26.
2023	Aviation supplies& academics	Louis c . drrworth& ginger l .gardiner	Essentials of Advanced Composite Fabrication & Repair	27.
2023	Mc Graw Hill	V gamelan	Internal combustion engines 4 th edition	28.
2022	Aviation supplies& academics	Keith anderson	Aviation Mechanic Handbook Spiral-bound – July 20,	29.
2022	Aviation supplies& academics	Dale crane& Dennis w . wilt	Practical Electricity for Aviation Maintenance Technicians	30.
2022	Aircraft technical book company	Aircraft technical book company	Digital techniques electronic instrument systems : avionics maintenance technician certification series	31.
2021	Avotek information resources	by Thomas K. Eismin	Avionics: Systems and Troubleshooting Perfect Paperback – September 7, 2021	32.
